The William States Lee College of Engineering

The College of Engineering at UNC Charlotte welcomes Engineering Explorers Post 228

Wednesday, November 10
6:30-8:30 p.m.

Duke Centennial Hall

6:30-7:30 p.m.

Faculty and students will lead group tours in two of our four engineering buildings. Featured labs are from our Mechanical Engineering & Engineering Sciences and Electrical & Computer Engineering departments.

7:30-8:30 p.m.

Current students will answer questions about college preparation, succeeding in engineering and student professional development. A representative from the UNC Charlotte Office of Admissions will also be available to help you learn about our application process.

PARKING DETAILS

Guests may park in Lot 23, in front of Duke Centennial Hall. Please find an Explorers or UNC Charlotte representative for a parking permit upon arrival.

Duke Centennial Hall

Duke Centennial Hall is on the UNC Charlotte Research Campus. We recommend you use the Hwy 29/Tryon St. entrance for the most direct route to the building.
